ACSA participates in SECURITY & SAFETY ASIA 11-13 November 2025

November 11-13, ACSA showcased its commitment to the security industry at the Sands Expo and Convention Centre. The event was a resounding success, with ACSA establishing itself as a key player in the industry. ACSA's participation helped strengthen its network and explore new business opportunities. The event marked a significant step forward in ACSA's mission to elevate the security sector.

Success Stories

ACSA proudly formalized a strategic alliance with the International Professional Security Association (IPSA) of the United Kingdom, marking a significant milestone in its mission to elevate the security sector. This partnership underscores ACSA's dedication to driving growth and excellence in the industry, fostering collaboration, and promoting best practices. The alliance is expected to yield benefits for ACSA members, including access to international expertise, networking opportunities, and enhanced professional development pathways.

Certificate of Strategic Alliance & Partnership

ACSA organised Trade Mission to Shenzhen, China in October 2025

Our delegates from Singapore with Chinese counterpart

Just recently, in October, ACSA's President, Mr. Nathan, led a dynamic team on a successful trade mission to the Public Security Expo 2025 in Shenzhen, China (27-31 October 2025). This strategic visit fostered international cooperation and business opportunities, enabling the delegation to explore cutting-edge security solutions and network with global leaders. The team strengthened key partnerships, driving growth and innovation in the security industry. This mission underscores ACSA's commitment to elevating the security sector and expanding its global footprint.

Renewed Alliance Strengthens Industry Partnership and Growth

ACSA is thrilled to announce a successful discussion with our counterparts from SAS over lunch on Thursday 20 November 2025! This great icebreaker has reaffirmed our alliance, strengthening our partnership and cooperation to benefit our members and drive industry growth. A huge milestone was our joint Webinar with SCDF, which drew 200 attendees from both associations - a testament to our collective potential! Stay tuned for more engaging webinars and townhalls coming soon!
